

How should you indicate the source of a diagram that you have added to your presentation for a University course?

+3

- A** Write: © "Author"-"Date" under the diagram
- B** Write the full reference under the diagram
- C** Write the full reference on a slide at the end of your presentation showing all sources used for your work
- D** You are not allowed to use another author's diagram in your presentation without his or her permission

Answer: B
